

Recorder Plan for Success

My plan for success includes:

- Reading my booklet each night for 10 to 15 minutes
- Playing my recorder at home for 10 to 15 minutes each night
- Improve my note reading by watching videos on Mrs. Rogers' weebly website (glrogers.weebly.com)
- Review the Fab 5 rules when I have trouble playing with a nice tone
- Bring my recorder booklet to school on Tuesday's (study, ask questions, get my homework checked, play a song)
- Start each sound with a 'dooo' or 'toooo' sound by touching the tip of my tongue to the roof of my mouth
- Continue to put my best effort forward
- To practice and come to class with a growth mindset
- To look at the Song Level document, choose a song to play for my first performance test.
